

POLAND LAW ON FOUNDATIONS

Article 15

1. Should the purposes for which the foundation is established be accomplished, or should the funds and assets of the foundation be exhausted, the foundation is subject to dissolution by the procedure specified in its statute.
2. If the foundation's statute does not provide for its dissolution, or if its related provisions are not executed, in cases referred to in Paragraph 1, the proper minister or voivode requests the court to dissolve the foundation.
